

**AquaStar Control SM21**

**AquaStar  
Control SM21**

**Code  
16**

- Sitzdichtung: tpe

- seat-sealing: tpe

| d    | DN | Material<br><i>material</i> | Ausprägung<br><i>character</i> | Norm | MOP       | Spannung<br><i>Voltage</i> | VE<br><i>Pack</i> |
|------|----|-----------------------------|--------------------------------|------|-----------|----------------------------|-------------------|
| R 2" | 2" | ASA-GF                      | AO                             | BSP  | MOP 6 bar | 100-230V AC                | 1                 |

| Art. Nr. |
|----------|
| 131483   |

**AquaStar Control SM31**

**AquaStar  
Control SM31**

**Code  
16**

- Sitzdichtung: EPDM

- seat-sealing: EPDM
